IMC  **DIVING**

Available 24-7

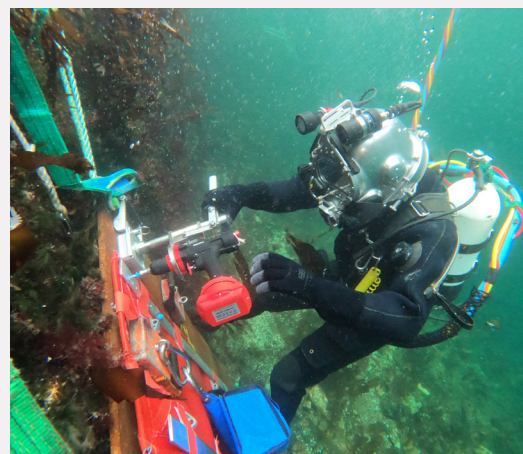

With over 40 years' experience in the industry, we naturally possess a great deal of expertise in terms of evaluating the condition of seagoing vessels and underwater structures.

At IMC Diving we have both qualified divers and technical equipment to allow us to take on most kinds of underwater jobs. This includes anything from inspection and repair to emergency responses.

We aim to offer immediate professional support and are available for projects 24 hours a day - all year round.

We are located centrally by the hardboard in Bergen, Norway.

For further information, please feel free to contact us at (+47) 55 36 34 34, or call our emergency line at (+47) 901 07 833 or (+47) 913 05 052 . You can also visit us at www.imc-diving.no
